### The Diving

The waters of the Great Barrier Reef Marine Park offer some of the best diving in the world. There are a variety of locations suitable for the absolute beginner snorkeler and diver, through to the advanced diver.

Depth ranges from 6 – 30 metres and the terrain varies from shallow coral gardens to vertical walls. Sea life is plentiful with tropical fish, turtles and moray eel common sights. Visibility ranges from 3 – 10 metres directly around the Whitsunday Islands and 10 to 30 metres around Bait Reef, with water temperature a very pleasant 23°C to 25°C.

### Openwater Certification (min 2 pax)..... \$750

The PADI Openwater certification program is your passport to an exciting new world. The course will teach you the skills to safely and comfortably explore the underwater world. The course can be completed over 4 days and consists of academic sessions (which can be completed on-line). Diving skills are introduced in the swimming pool, where you will gain confidence in using scuba equipment. After your pool training you will be ready for your open water training dives, which are completed over two days on one of our boat trips.

### Advanced Diver Course (min 2 pax)..... \$750

This popular certification will improve your diving skills and build upon your diving knowledge and experience. It can be completed over 2-3 days and consists of theory and five experience dives. It can be completed over 2-3 days and consists of five experience dives, including advanced skills such as Navigation and Deep dives.

This is an easy and fun way to become a more proficient diver.
